Your Moving Timeline Checklist

Use this timeline to stay on track from the first conversation to settling into your next home. Check off each stage as you go.

	When	What to focus on
☐	**6 to 12 months out**	Decide where you are going next. Talk with family. Get a pricing conversation and talk with a lender or financial advisor if you are buying again.
☐	**3 to 6 months out**	Sort room by room using Keep, Gift, Sell, Donate, Let go. Let family claim keepsakes. Gather records of past home improvements.
☐	**60 to 90 days out**	Book an estate sale company if you need one. Finish small repairs. Plan staging with our team.
☐	**30 days out**	List the home. Confirm movers and your move date. Start packing rooms you no longer use.
☐	**Moving week**	Let the Concierge Move team coordinate movers, pickups, and cleaning. Take a final walk-through to say goodbye.
☐	**After the move**	Settle in. We stay in touch through closing and help with anything left at the old house.

Questions along the way? The Gassensmith Group team is here to help at every step, from pricing to the final walk-through.
